

## Best on the High Seas Design Competition Ahoy Matey's!

Members of the IFMA crew, Chapters and Councils are encouraged to join this high-spirited building competition taking place at the Pirate's Regatta . Let your creativity shine by designing and building a miniature model pirate ship to enter in this Pirate Ship Design Competition at the Pirate's Regatta.

### Rules:

- All pirate ships must be original designs. Pre-made ship sets not allowed, though component pieces of such sets may be used to create a new and original design.
- Maximum size is 2'X2'X2'.
- Sponsor logo may be on the design
- Feel free to include images that you used as inspiration next to your entry exhibit.
- A completed Entry Form must be included with each submission. We will email you the Ship Builder's Form after you register.
- The decision and interpretation of the Ship Building Rules and Guidelines are at the discretion of the IFMA Foundation events committee. Our decisions and interpretations are final.
- Creations will be judged in the following categories: Best on the High Seas, Most Original Design and Fan Favorite
- Entries will be based on overall appeal, originality, creativity, difficulty and ability to rally financial donations via your entry's audience support.
