## Why Sponsor this event?

Become a sponsor and you will directly impact the work of the IFMA Foundation, a 501(c)(3) non-profit organization. The work of the Foundation includes accredited and registered degree programs, scholarships, workforce development trainings, job and internship webinars, and much more. To be successful in our work, we depend on sponsorship and donations to support our operating costs. It is because of generous contributions; our staff and volunteers can develop and act on behalf of the future workforce of tomorrow and create career pathways for aspiring facility managers and those within the built environment.
